## **Storms In the Distant North (The Louhi Chronicles Book 1)**

Once they have all their creative writing on paper, you could allow each pair to share their advertisements in front of the class. This element, called by Foucault "the liturgy of punishment," marks the victim "either by the scar it leaves on the body, or by the spectacle that accompanies it, to brand the victim with infamy" Discipline and Punish Because of their

focus on torture and execution, Daly's and Dworkin's narratives are both problematic and rhetorically significant: "Since we all have a body, and since we all fear pain and death, torture and execution create an illusion of common identity with a witch-suspect which might be shattered if Daly were to enlarge upon her life or quote her words" Purkiss Certainly, in the light of such observations, the myth of the "Burning Times" has lost its political usefulness, but it is important to remember that it was logically unavoidable at one stage in the feminist past.
