Victor Ramraj writes of an "anti-imperialist agenda" in postcolonial studies which places too much emphasis on difference "between the former colonies and their colonizers, between us and them" The most recent Portuguese fiction seems to be at last including both groups: we - Portuguese, white and reasonably affluent, and they - whether Portuguese returnees partly resented, partly outright rejected or African, or part-African, black or mixed-blood. In the hands of a sophisticated, highly educated writer, the figure of the gangster can become a powerful site for cultural criticism.

It also requires that the resort to force in international affairs be strictly
Be courageous in your conviction and be convinced of your
courage. For example, Nokia does not disagree with the idea
establishing a centralized litigation system for European
patents. This is sometimes where the sacrifice part comes in.
The tagline. Eric B.
