I think the biggest thing is going to be keeping your lines of communication open, and spending as much time with each other as you possibly can - your experiences over the next few years really start to shape the adult you become, so if you can share some of those experiences together through travel, I think this will help with not growing apart. The Three Degrees. This dynamic creates a problem of perspective unless said demographic tries to immerse themselves into the challenges of other demographics or until an issue hits the mainstream that provides some needed context.

The General refused, believing that there was nothing more to be said, and for

Learning Objectives for Continuing Education: Enumerate

various types of courage. You look thoroughly
