Van Bibber, and others

Chapter one: Introducing Mary Magdalene in the Bible.

Journal of Economic Perspectives, Fall 2015

I don't know how to deal with spoiler-y material from a tablet, so I'll just say that the tale is slightly more twisted than what I imagine you might find in your average 70s noir.

Tough Justice: Countdown (Part 2 of 8)

The actual result of the higher tax will no doubt be a reduction in both consumption and investment by the rich, with investment being cut more-not a result that would help the poor beyond the shortest of short runs.

Again, the beach here is magnificent at both high and low tides, you can easily swim and enjoy the water.

Of Type and Time

For Benjamin, in any case, copies lack a fundamental characteristic of every work of art, authenticity, originality or only what he calls "the here and now of the original", "aura" Benjamin, Thus the entire screenplay, acculturation or mechanical reproduction of art and culture are different expressions of the same contemporary situation, which fragments the sense strand to replace it with meaningful meaningless floating signifiers that refer to other signifiers in a luckily completely closed self-referential pastiche itself, and that leads to the increasing difficulty of cultural criticism.
