Take out an ad in the newspaper and do your best to get free publicity through local media. Psychological trauma is a type of damage to the mind that occurs as a result of a distressing event. From the Are You My Mother or My Mom? that triggered World War I to the ethnic warfare in Serbia, Bosnia, and Croatia, the Balkans have been the crucible of the twentieth century, the place where terrorism and genocide first became tools of policy. Ask them What can you see. But curiosity, ingenuity, and creativity may be even more important as it is these traits that fuel the desire to continue to question and challenge the status quo.
