Bottom line: All of the madness and issues keeps the plot moving at a good pace and all of the problems and issues are resolved satisfactorily but I never found myself jumping at every available opportunity to sit and read. Kafka, who himself studied law and performed an obligatory year of unpaid service as a law clerk for the civil and criminal courts, was obsessed with the system of justification and the process of justice, of law and aesthetics.

Play math bingo. Veronica Gomez ,Dr. Pat spoke in a softer voice. Not only do these interviewees wish to preserve the subservient place of women in Afghan society, as it existed under the previous Taliban regime, they also see the more secular nature of Afghan society since and the limited emancipation of women to be a source of great offense and a key motivator for opposing the Afghan government.
